After breakfast this morning, transfer from the hotel to the port of Puno where you will board a motorboat to visit the unique floating Uros Islands, located approx. 25 minutes from the port of Puno.

The islands have been created entirely from the buoyant totora reeds that grow abundantly in the shallows of the lake. Partially edible (tasting like non-sweet sugarcane), the reeds are used to build homes, boats and handicrafts. The islands are constructed from many layers of the totora, which are constantly replenished from the top as they rot from the bottom, so the ground is always soft and springy. You will visit two different islands and your guide will explain a little about

Enjoy some free time to explore the island on your own and then come together for lunch at a local restaurant. Following lunch, head down to the harbour to take a one-hour boat ride to the Chicuito Peninsula, south of the city of Puno, where the Luquina Karina community is located. TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on history, art, architecture and culture of the city/village/attraction in which he or she is guiding the tour. The guide meets the group at the required place and leaves the group at the end of the tour, they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides in each stop. A tour leader may provide general guidance around a city or village, and offer information on the place visited on the bus, however they are not required to have specific knowledge on art, architecture, or history. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when particularly required to enhance the experience of the destination featured.

CLIMATE & AVERAGE TEMPERATURES

Lima:

Lima is usually described as mild and warm throughout the year without noteworthy rain making Lima one of the driest capitals in the world. The average temperatures range from 18°C to 28°C.

Cusco:

Cusco has a subtropical highland climate due to its elevation (3500m above sea level). It is generally dry and temperate, with two defined seasons. The dry season lasts from May to August, with abundant

IMPORTANT INFORMATION

sunshine and occasional night time freezes; July is the coldest month with an average of 9.7°C. The wet season lasts from December to March, with night frost less common; November averages 13.3°C. Although frost and hail are common, the only snowfall ever recorded was in June 1911. Temperatures usually range from 0.2°C to 20.9°C.

16 Day Extension Package

Puno:

As Puno is located at such a high elevation (3830m above sea level), it experiences more extreme weather conditions than would be expected for its tropical latitude. The average annual temperature is about 8.4°C, and the weather never gets overly warm. During the winter months from June to August, night-time temperatures usually drop well below 0°C. At this high altitude, the rays of the sun are very strong. Most of the annual precipitation falls during the southern hemisphere summer, with the winter months being very dry.

FLIGHTS

Seat Selection & Frequent Flyer Points:

At TripADeal we do not arrange seat selection. It is important to highlight that some Airlines do not allow pre-selected seats. We strongly suggest you contact the Airline directly with seating allocation requirements and or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the Airline once you have your flight information.

Passport Validity:

Customers are required to provide valid passport details either at the time of purchase, or no later than 45 days prior to departure date. Failure to do so may result in cancellation of the booking. In this instance customers will be responsible for any costs and fees incurred.

COACH TOUR

Meals:

19 meals are included in the tour, for all other meals; lunches and dinners the tour leader (when available) will offer assistance with reservations, suggestions and directions to local restaurants. It is your responsibility to notify TripADeal of any dietary requests/requirements. Please note; we will do our best to meet your requests/requirements, however cannot guarantee that we will always be able to.

Luggage:

You will be responsible for all your personal belongings whilst on the tour. With regards to luggage, you must carry your own luggage from the coach to the hotel room and back to the coach. The driver will assist with the uploading and off-loading of the luggage from the coach.

OTHER

Fitness Level Required / Mobility:

Our vehicles are not equipped with wheelchair access, so unfortunately our tours are currently not suitable for wheelchair users and those less mobile.

Please note: A decent level of fitness will be required for this tour due to the Inca Trail component. You will be required to hike for 6-7 hours a day at high altitudes on well-formed hiking trails. If you haven't done a multi-day hike in the last 8 months, we recommend that you test drive your stamina with equipment on local hikes before you go.

This tour is not suitable for:

- Anyone who has difficulty walking, whether it be on flat surfaces or inclines.
- People over the age of 70 unless they are dedicated hikers at home.
- People with chronic health conditions that affect their mobility or activity level.
- Pregnant women should not hike as there are no medical services available near the trail.

You should consult your doctor for up-to-date medical travel information

well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that during the Inca Trail Hike you will be in remote areas and away from medical facilities.

Please note: inoculations may be required to enter the country visited, along with re entry into Australia after your visit. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

Yellow Fever:

A valid international certificate of vaccination against Yellow Fever is required in many countries. You may need to present this on arrival at the airport or border crossing. Some countries will refuse entry if you are unable to present your certificate. It's also quite common for your home country to request a Yellow Fever certificate on your arrival back home.

It is your responsibility to check with your doctor well in advance of leaving home about the Yellow Fever requirements for the countries you'll be visiting.

Gratuities / Tipping:

Gratuities (tips) are not included in the tour price for services throughout the tour. The recommended tipping for the tour leader is approximately \$10 USD per person per day, which will be collected on tour. Tipping for other services provided on tour such as tour guide's on optional tours, drivers, porters etc is always a matter of personal discretion and is recommended at approximately \$1-3 USD per service provided dependent on the service provided. Gratuities may be paid in local currency or US dollar equivalent where accepted. Please be aware that tipping is considered by many locals to be a part of their normal remuneration and some may approach you for additional "compensation." There is no need to be intimidated by the request, nor should

IMPORTANT INFORMATION

you feel pressured to pay more than recommended.

Inca Trail Tipping:

Generally, on the Inca Trail, groups give collective tips that are shared between the cook and all porters and are usually given on the last night of the trek. If the group pools together money and at the end of the hike and each porter receives 60 soles (approx. \$24 AUD) and the cook receives 120 soles (approx. \$48AUD), they will end with a great tip! Often, the tip for your guide is done personally and is generally 50 soles (approx. \$20 AUD) per traveller. Tipping is of course 100% voluntary and it should only be done if you feel that your guide, porters and cooks have done an amazing job. For reference, a group of 10 travellers will have 16 porters (including the cook) and 2 guides.

Sightseeing:

Please note: In the event entrance to a site is affected by changes in operating hours or public holiday closures, your itinerary will be adjusted to ensure you do not miss out on the experience.

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all of your receipts.

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader.

Please refer to our Terms and Conditions in regards to shopping for further information.

VISAS

Peru

A tourist visa for Peru is not required if travelling on an Australian Passport.

Please note: Customers choosing the stay behind or stopover package will be required to pay a Chilean Reciprocity Fee of approximately \$117 USD (subject to change) per person paid at airport customs in Chile. This fee is paid in US dollars and we recommend customers carry sufficient US dollars in cash to pay this fee as credit card facilities may be unavailable. This does not affect customers who do not choose to take the stopover package.

Please note: Passengers who are not Australian citizens must check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required. It is also important to note, some areas of employment such as journalism, government authorities and charity organisations may have additional restrictions in applying for Visas. This may in turn affect the type of application required.
