Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on history, art, architecture and culture of the city/village/attraction in which he or she is guiding the tour.

IMPORTANT INFORMATION

The guide meets the group at the required place and leaves the group at the end of the tour, they do not travel with the group.
