VISAS

Russia

- A tourist visa for Russia is a strict requirement if travelling on an Australian passport.
- The visa is valid for 30 days for double entry and the final exit date must be no more than 30 days from the date of first entry. You must apply for this visa at

least 6 weeks prior to departure from Australia.

- A valid voucher and official confirmation letter issued by a registered Russian tour agency will be provided to you through TripADeal. Please contact your nearest Russian Embassy or Consulate for instructions on how to apply in person or via post.

- TripADeal will provide you with further information in your Travel Pack.

Please note: Passengers who are not Australian citizens must check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required. It is also important to note, some areas of employment such as journalism, government authorities and charity organisations may have additional restrictions in applying for Visas. This may in turn affect the type of application required.
