Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader.

VISAS

Vietnam

- Australian passport holders are eligible to apply online for a single entry electronic visa (e-visa), valid for up to a maximum of 30 days. Lodge your application online (for a non-refundable fee) with the Vietnamese National Web Portal of Immigration - <https://www.xuatnhapcanh.gov.vn/>. You will be given a unique code to track your visa application status. Once your visa is granted, you must print it out and present it at check in. Keep this e-visa print out with you at all times during your travel in Vietnam.

- Some private online visa services and travel agents have scammed travellers or been involved in the public disclosure of the personal information of applicants for visas and 'visa issued on arrival' approval letters. To avoid such scams, only use official Government of Vietnam services to arrange your visa.

- Visa and other entry and exit conditions (such as currency, customs

and quarantine regulations) change regularly. Contact the nearest Embassy or Consulate of Vietnam for up-to-date information.

Cambodia

- Australian passport holders travelling for tourism can apply for an e-visa online through the Cambodian Ministry of Foreign Affairs and International Cooperation. E-visas are only valid for entry through the Phnom Penh, Siem Reap and Sihanoukville International Airports, and Cham Yeam (Koh Kong), Poipet (Banteay Meanchey), Bavet (Svay Rieng) and Tropaeng Kreal (Stung Treang).

- Alternatively a tourist visa can be completely arranged on arrival at the border for \$35 USD per person. Visas must be arranged in USD currency at the border.

- Tourist visas are valid for thirty days. For longer stays, or if you're travelling to Cambodia for a purpose other than tourism, you must arrange a visa in advance through the nearest Embassy or Consulate of Cambodia. Visa and other entry and exit conditions (such as currency, customs and quarantine regulations) can change at short notice. Contact the nearest Embassy or Consulate of Cambodia for up-to-date information.

Important: Please start arranging your visa at least 3 weeks prior to departure to account for any delays due to consulate operating hours.

Please note: Passengers who are not Australian citizens must check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required. It is also important to note, some areas of employment such as journalism, government authorities and charity organisations may have additional restrictions in applying for Visas. This may in turn affect the type of application required.
