## OTHER IMPORTANT INFORMATION

### TOUR GUIDE VS. TOUR LEADER

#### Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on history, art, architecture and culture of the city/village/attraction in which he or she is guiding the tour. The guide meets the group at the required place and leaves the group at the end of the tour, they do not travel with the group.

# IMPORTANT INFORMATION

## Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides in each stop. A tour leader may provide general guidance around a city or village, and offer information on the place visited on the bus, however they are not required to have specific knowledge on art, architecture, or history. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and if caught doing so, can be fined.

*Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when particularly required to enhance the experience of the destination featured*

## CLIMATE & AVERAGE TEMPERATURES

- May is one of the best times to travel. The average high temperature is around 20°C. The weather is warmer, a fair bit of sunshine is likely, and the days are long. The countryside is green and verdant and covered in flowers and the daylight lasts long into the evening.

- Weather in Europe in August is pleasant in most of the countries. The average low during this time is 17°C, whereas the average high is 28°C.

## FLIGHTS

### Seat Selection & Frequent Flyer Points:

At TripADeal we do not arrange seat selection. It is important to highlight that some Airlines do not allow pre-selected seats. We strongly suggest you contact the Airline directly with seating allocation requirements and or arrive at the airport earlier to arrange your

seating. While we do not add frequent flyer member details to bookings, you can do this directly with the Airline once you have your flight information.

### Passport Validity:

Customers are required to provide valid passport details either at the time of purchase, or no later than 45 days prior to departure date. Failure to do so may result in cancellation of the booking. In this instance customers will be responsible for any costs and fees incurred.

## CRUISE

### Disembarkation:

- Begins approximately 2 hours after docking.
- Due to security reasons, all guests must be on board 2 hours before sailing.
- Itineraries are subject to change at any time without notice.
- Check your specific sailing for exact departure and arrival times. All times are local to the port.

### Cruise Loyalty Discounts:

*Please note: Travellers booked via TripADeal will not be entitled to receive any cruise line customer loyalty discounts. Similar to airline frequent flyer programs, this is outside of the TripADeal booking process. However, customers may contact the cruise line direct upon receiving their TripADeal travel documents to request any membership benefits they are entitled to.*

You will be responsible for all your personal belongings whilst on the tour. With regards to luggage, you must carry your own luggage from the coach to the hotel room and back to the coach. The driver will assist with the uploading and off-loading of the luggage from the coach.

### Supplier Fees

In the event the Travel Offer you have purchased is unable to proceed, and/or a travel Supplier is unable to fulfil the Travel Offer due to external circumstances (Limitation of Liability e.g. a Force Majeure event), there may be a fee or amount of money that is withheld by our Suppliers and is unrecoverable.
