## 5 DAY HIGHLIGHTS TOUR | TOP END & KAKADU SAFARI

### THE ITINERARY

#### Day 1 Darwin - Litchfield National Park - Kakadu National Park

Make your own way to Darwin. As Day 1 is an early start we recommend arriving at least 1 day or more prior to the tour start date.

Today depart from Darwin around 7.00am for the beginning of the short journey to Litchfield National Park to explore the waterfalls, spring-fed streams and rugged sandstone escarpments. Discover the intriguing cathedral and magnetic termite mounds before continuing on to Buley Rockhole for an invigorating swim.

A short journey onward arrive at Florence Falls where you will enjoy a hike and another welcome swim followed by a picnic lunch.

Early afternoon leave the highway behind and hit the dirt travelling along a typical outback track heading deep into Kakadu National Park. Travel past billabongs and traverse water crossings allowing ample opportunity for wildlife spotting before a comfort stop and chance for refreshment.

In the early evening arrive at the private campsite complete with comfortable permanent tents. Have time to shower and refresh while the guides prepare dinner before enjoying an evening with your fellow travellers and some stargazing.

*Please note: Campsites feature private twin share, permanent pre-erected tents with beds and linen. All camps have hot shower and toilet facilities.*

**Overnight: Permanent Campsite**

**Meals included: Lunch;Dinner**

#### Day 2 Yellow Water Cruise - Twin Falls - Jim Jim Falls

Enjoy breakfast this morning before joining an iconic Yellow Water Cruise. A must do activity within Kakadu National

Park, the award-winning Yellow Water Cruises is Indigenous owned and centres around a spectacular billabong system that is home to some remarkable and diverse wildlife. Spotting crocodiles is only one of the many wildlife viewing opportunities on this unique water system.

On completion of your cruise travel to Twin and Jim Jim Falls\*. Explore Twin Falls Gorge, accessed by 4-wheel drive track, a boat shuttle service (payable on day of travel) and a rocky walking track and boardwalk. Be rewarded by relaxing on the sandy banks and admiring the falls. There's more 4-wheel driving as we make our way to Jim Jim Falls where a walk through a monsoon forest and over boulders takes you to the waterfall and plunge pool, surrounded by 150 metre cliffs.

Spend the afternoon taking in the sheer beauty of the spectacular surrounds before making our way back to camp for a hearty dinner and well-earned rest.

Unfortunately, National Parks only provide tour operators with 1-2 weeks notice of when certain areas in the park will open and close, but that is the benefit of having experienced guides and a good operational team for the tour to ensure that the best locations available are visited.

\*Twin and Jim Jim Falls may not be accessible between the shoulder periods of May-June and October. During this time you may visit Maguk or the Yurmikmik Region (Motor Car Falls or Boulder Creek). Located in the very southern end of the park, Yurmikmik (Motor Car Falls) is lesser known than the other two, but is another great walk and swim at that time of the year. You may see antilopine wallaroos, red-tailed black cockatoos, and many other bird species such as Azure Kingfishers in that region and there is a large long drop waterfall and natural pool there also, hence a great alternative.

**Overnight: Permanent Campsite**

**Meals included: Breakfast;Lunch;Dinner**
